1. Go to [discoveryeducation.com](http://discoveryeducation.com)
2. Enter username and password (you got these from your homeroom teacher)
3. Left hand side there will be a box with assignments. Click on the assignment and watch the videos assigned. Then write 5 things down about what you learned and send Mrs. Loftis a picture of those 5 things.
4. You may also search other videos that you would like to watch, but Mrs. Loftis would like you to for sure watch the ones that were assigned. If you choose to watch other ones too, just let her know.
